How to use

完成式？

Have + p.p

現在完成式

I have already eaten lunch.

She has just left.

They have not paid their bills.

What have you done?

Have you watched this movie?

過去完成式

**I had finished it before you came.
She had moved twice before she
settled down.**

**They hadn't been happy when
they were married.**

**Where had you been last month?
Had she finally admitted it?**

未來完成式

I will have finished it.

He will have done it.

They will not have done this.

**How long will you have lived
here this year?**

**Will you have left when I arrive
tomorrow?**

More Examples

Here we go!

**Is it weird, but I have never
thought about this before?**

Where have they been? Their mothers were very worried.

Has it been 3 days already?

Will we have arrived there soon?

**The dog had died
when I entered the room.**

Ask yourself:

Things have gone crazy.

They had waited for 3 hours.

People had laughed and I didn't care.

I will have lived here for 10 years.
